CBOE Research Circular #RS12-587

DATE: November 9, 2012

TO: Permit Holders

RE: **VanceInfo Technologies Inc. ("VIT")**
Name, ADS, and Option Symbol Change to
Pactera Technology International Ltd. ("PACT")
Effective Date: November 12, 2012

FROM: Scott Speer

The CBOE has been advised that VanceInfo Technologies Inc. ("VIT") will change its name, American Depositary Share (ADS) symbol to Pactera Technology International Ltd. ("PACT"), as the result of the merger between VIT and HiSoft Technology International Limited. The changes will become effective on Monday, November 12, 2012. In order to reflect this name and ADS symbol change, the VIT option symbol will change to **PACT** effective for trading on Monday, November 12, 2012.

NOTE: On Monday, November 12, 2012, Pactera Technology International Ltd. will commence trading on NASDAQ Global Select Market on a "when distributed" basis under the symbol "PACTV". Effective Monday, November 19, 2012, trading in PACTV will be suspended and Pactera Technology International Ltd. will commence trading on a "regular way" basis under the symbol "PACT".

The OCC will delay settlement of PACT exercise and assignment activity until Monday November 19, 2012 when Pactera Technology International Ltd. begins to trade on a "regular way" basis.

GTC Order Conversion

On Friday, November 9, 2012, immediately after the CBOE close, the system will convert or cancel all resting orders in the VIT order book. If your firm has requested, all booked orders (phone, wire, and electronic) and all ORS orders residing outside the book (booth or crowd routed) will be converted reflecting the adjustment. If your firm has requested, all booked orders and ORS orders residing outside of the book will be canceled. If your firm receives CXL drops, the CXL confirms will print at your booth at 3:15 p.m. ORS CXLs will also be transmitted electronically to your branches.

A report will be available at the Help Desk listing the orders that are converted or canceled. If converted, this list will also show how the new orders will be adjusted. This report will be available on request anytime during the day prior to the night of the adjustment.
