

Cboe Futures Exchange, LLC

Volume Aggregation for Affiliated Trading Privilege Holders

This request for volume aggregation is made to Cboe Futures Exchange, LLC (“CFE” or “Exchange”) by the CFE Trading Privilege Holders (“TPHs”) identified below.

The TPHs each certify to CFE that they have at least 75% of their direct or indirect ownership in common.

A current organizational chart or charts must be provided with this form which reflect this commonality in ownership.

The TPHs agree to provide CFE with any additional documentation or information requested by CFE in order to demonstrate that the TPHs have this commonality of ownership.

The TPHs agree to promptly notify CFE if the TPHs no longer have at least 75% of their direct or indirect ownership in common.

Each TPH acknowledges and agrees that the other TPH will have access to the same detailed information regarding their aggregated volume on the Exchange.

Explanation of How TPHs Have At Least 75% of Their Direct or Indirect Ownership in Common

A completed and executed version of this form and current organization chart(s) can be delivered to the Exchange via email to MembershipServices@cboe.com.
