Re: March Cycle\*\*, 2006 LEAP Conversion Schedule

The following schedule will be used for rolling the March cycle 2006 LEAP option classes into the regular option class symbols.

Friday, July 8, 2005 -- Last day March cycle 2006 LEAP classes trade using a separate LEAP symbol.

Monday, July 11, 2005 – January 2006 series for March cycle classes begin trading under the regular option class symbol.

Monday, July 25, 2005 – 2008 LEAPs introduced for March cycle option classes

\*\* March cycle classes currently list the JULY, AUGUST, SEPTEMBER AND DECEMBER strikes.

**Please note: The symbols that were used to represent the '06 LEAPS until Friday, July 8 will return to represent the '08 LEAPS on Monday, July 25.**

**For example, Honeywell '06 LEAPS are represented by symbol WAD. After the January '06 WAD series are converted to HON on July 11<sup>th</sup>, symbol WAD will return to represent the January '08 series on Monday, July 25<sup>th</sup>.**

A memo detailing the conversion by series will be distributed the week of July 5<sup>th</sup>. A memo listing the 2008 LEAP classes and series will be distributed the week of July 18<sup>th</sup>. If you have any questions regarding this matter please contact Hugh O'Neill at 786-7952 or Pat Jones at 786-7373.
