

Cboe Futures Exchange, LLC
Taiwanese Trading Privilege Holder
Supplemental Application Form

The business organization referenced below (“Organization”) certifies the following to Cboe Futures Exchange, LLC (“CFE”):

The Organization is a Futures Commission Merchant (“FCM”) as defined under Taiwanese law and satisfies the applicable requirements for designation as an FCM.

The Organization will comply with the Taiwan Personal Data Protection Act and will provide notification to and obtain the consent from individual customers to ensure that: (i) the individual customers’ personal data may be provided to CFE and (ii) the use by and provision of personal data to CFE is within the scope of the customers’ consent or notice to the customer, as applicable.

Under CFE Rule 305B(a)(ii), approval of a Taiwanese Trading Privilege Holder (“TPH”) is contingent upon the condition that the TPH does not trade in any CFE product other than Cboe Volatility Index (“VX”) futures. Any violation of this condition will be considered a violation of CFE’s rules. The Organization certifies to CFE that it will only enter orders and execute transactions on CFE in VX futures and not in any other CFE products.
