

Cboe Europe Indices – Notification

Client notification Feb 2020

Publication Date: 17 Feb 2020

Please be informed that Cboe Europe will be making an adjustment to the [Rules & Methodology](#) as outlined below:

3.2 Multiple Lines

*Issuers can list for trading more than one line of their company's stock. Any such multiple lines of equity capital can be considered eligible as long as they are priced separately and satisfy the Rules' eligibility criteria. For the less liquid share line to be considered eligible for inclusion in a national market indices its ratio of the six (6) month Average Daily Value ("ADV") traded, with the company's most liquid share class, must equal or exceed **75% 50%**.*

This will be implemented at the rebalance effective at the open of the 23rd March 2020.

Index tickers affected: All Cboe Europe Indices

Date effective: 23rd March 2020
