

Cboe Europe Indices – Notification

Client notification June 2020

Publication Date: 22 June 2020

This is a reminder of the upcoming change to rebase 10 Cboe Europe indices on the 1st July 2020.

Historic index values will be available via the web portal overnight on the 1st July or on request from the 2nd July.

As of the open of the 1st July 2020, the following indices will be rebased to a different start value. The new start value will be communicated in the open files for the 30th June at the usual delivery time. Historic values will be provided in the daily index file [ticker]_History.csv for the 1st July.

Index	Price ticker	Net Ticker
Cboe Europe All Companies	BEPACP	BEPACN
Cboe Eurozone 50	BEZ50P	BEZ50N
Cboe France 40	BFR40P	BFR40N
Cboe Germany 30	BDE30P	BDE30N
Cboe Italy 40	BIT40P	BIT40N
Cboe Netherlands 25	BNL25P	BNL25N
Cboe Spain 35	BES35P	BES35N
Cboe Sweden 30	BSE30P	BSE30N
Cboe Switzerland 20	BCH20P	BCH20N
Cboe UK 100	BUK100P	BUK100N

The historic performance of the index values will remain unchanged. Please ensure all stored historic values are overwritten with the new rebased values to ensure continuity of performance.
