Item 1. Text of the Proposed Rule Change

(a) Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to amend its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

(b) Not applicable.

(c) Not applicable.

Item 2. Procedures of the Self-Regulatory Organization

(a) The Exchange’s President (or designee) pursuant to delegated authority approved the proposed rule change on December 26, 2017.

(b) Please refer questions and comments on the proposed rule change to Joanne Moffic-Silver, Executive Vice President, General Counsel, and Corporate Secretary, (312) 786-7462, or Laura G. Dickman, (312) 786-7572, Cboe Exchange, Inc., 400 South LaSalle, Chicago, Illinois 60605.

Item 3. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

The Exchange proposes to amend its Fees Schedule. Footnotes 24 and 25 describe the Market-Maker Trading Permit Sliding Scale and Floor Broker Trading Permit Sliding Scale programs, respectively.¹ Each program requires a Trading Permit Holder to commit in advance to a specific tier that includes a minimum number of eligible Market-Maker Trading Permits or Floor Broker Trading Permits, as applicable, for each calendar. To do so, a Trading Permit Holder must notify the Registration Services Department by December 25th (or the preceding business day if the 25th is not a

business day) of the year prior to each year in which the Trading Permit Holder would like to commit to the sliding scale of the tier of eligible Trading Permits committed to by that Trading Permit Holder for that year.

Generally, the Exchange issues a Regulatory Circular to remind Trading Permit Holders of this notification deadline, including a description of how Trading Permit Holders should notify the Registration Services Department. However, for the 2018 sliding scale program, the Exchange was unable to issue a reminder until December 22, 2017, which is the business day prior to December 25, 2017, and thus the notification deadline. To ensure Trading Permit Holders have sufficient time to provide notification to the Exchange regarding their tier commitments for 2018, the Exchange proposes to amend the descriptions of these programs in footnotes 24 and 25 to require Trading Permit Holders to notify the Registration Services Department by December 29th (or the preceding business day if the 29th is not a business day).

(b) Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.² Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)³ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in

securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁴ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. In particular, the proposed rule change removes impediments to and perfects the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest because it ensures Trading Permit Holders will have sufficient time to notify the Exchange regarding their tier commitments in the Market-Maker and Floor Broker Trading Permit sliding scale programs for 2018, if Trading Permit Holders decide to participate in these programs, and thus take advantage of the benefits of these programs. The change to the commitment deadline is equitable and not unfairly discriminatory because all Trading Permit Holders will be subject to that same deadline. Trading Permit Holder participation in these programs benefits all market participants, because the lower fees encourage more Market-Makers and Floor Brokers, as applicable, to access the Exchange, which gives market participants more trading options and increased trading activity, volume, and liquidity.

Item 4. Self-Regulatory Organization's Statement on Burden on Competition

Cboe Options does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will impose no burden on competition, as it only modifies a deadline for participation in fee programs available at the Exchange, which

⁴ Id.

participation is voluntary, and which deadline will apply to all Trading Permit Holders that elect to participate in these programs.

Item 5. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

Item 6. Extension of Time Period for Commission Action

Not applicable.

Item 7. Basis for Summary Effectiveness Pursuant to Section 19(b)(3) or for Accelerated Effectiveness Pursuant to Section 19(b)(2) or Section 19(b)(7)(D)

(a) The proposed rule change is filed for immediate effectiveness pursuant to Section 19(b)(3)(A) of the Act⁵ and Rule 19b-4(f)(3)⁶ thereunder.

(b) The Exchange designates that the proposed rule change is concerned solely with the administration of the self-regulatory organization, which renders the proposed rule change effective upon filing with the Securities and Exchange Commission (the “Commission”). At any time within 60 days of the filing of this proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule. Footnotes 24 and 25 describe the Market-Maker Trading Permit Sliding Scale and Floor Broker Trading Permit Sliding Scale programs, respectively.³ Each program requires a Trading Permit Holder to commit in advance to a specific tier that includes a minimum number of eligible Market-Maker Trading Permits or Floor Broker Trading Permits, as applicable, for each calendar. To do so, a Trading Permit Holder must notify the Registration Services Department by December 25th (or the preceding business day if the 25th is not a business day) of the year prior to each year in which the Trading Permit Holder would like to commit to the sliding scale of the tier of eligible Trading Permits committed to by that Trading Permit Holder for that year.

Generally, the Exchange issues a Regulatory Circular to remind Trading Permit Holders of this notification deadline, including a description of how Trading Permit Holders should notify the Registration Services Department. However, for the 2018 sliding scale program, the Exchange was unable to issue a reminder until December 22,

2017, which is the business day prior to December 25, 2017, and thus the notification deadline. To ensure Trading Permit Holders have sufficient time to provide notification to the Exchange regarding their tier commitments for 2018, the Exchange proposes to amend the descriptions of these programs in footnotes 24 and 25 to require Trading Permit Holders to notify the Registration Services Department by December 29th (or the preceding business day if the 29th is not a business day).

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁴ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁵ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁶ requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers. In particular, the proposed rule change removes impediments to and perfects the mechanism of a free and

open market and a national market system, and, in general, to protect investors and the public interest because it ensures Trading Permit Holders will have sufficient time to notify the Exchange regarding their tier commitments in the Market-Maker and Floor Broker Trading Permit sliding scale programs for 2018, if Trading Permit Holders decide to participate in these programs, and thus take advantage of the benefits of these programs. The change to the commitment deadline is equitable and not unfairly discriminatory because all Trading Permit Holders will be subject to that same deadline. Trading Permit Holder participation in these programs benefits all market participants, because the lower fees encourage more Market-Makers and Floor Brokers, as applicable, to access the Exchange, which gives market participants more trading options and increased trading activity, volume, and liquidity.

B. Self-Regulatory Organization's Statement on Burden on Competition

Cboe Options does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change will impose no burden on competition, as it only modifies a deadline for participation in fee programs available at the Exchange, which participation is voluntary, and which deadline will apply to all Trading Permit Holders that elect to participate in these programs.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received from Members, Participants, or Others

The Exchange neither solicited nor received comments on the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act⁷ and paragraph (f) of Rule 19b-4⁸ thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

Cboe Exchange, Inc.
Fees Schedule - December 26, 2017

Footnotes:	
Footnote Number	Description
24	<p>The sliding scale will be available for all Market-Maker Trading Permits held by affiliated Trading Permit Holders and TPH Organizations that are used for appointments in any options classes other than RUT, SPX, VIX, OEX and XEO. Any Market-Maker Trading Permits used for these classes, whether in whole or in part, are excluded from this sliding scale and will be priced at \$5,000/month. To qualify for the rates set forth in Tiers 1 and 2 in the sliding scale, the applicable Trading Permit Holder(s) and/or TPH organization(s) must commit in advance to a specific tier that includes a minimum number of eligible Market-Maker Trading Permits for each calendar year. To do so, a Market-Maker Trading Permit Holder must notify the Registration Services Department by December [25]29th (or the preceding business day if the [25]29th is not a business day) of the year prior to each year in which the Market Maker Trading Permit Holder would like to commit to this sliding scale of the Tier of eligible Market-Maker Trading Permits committed to by that Market-Maker Trading Permit Holder for that year. Market-Makers are not obligated to commit to either tier. However, the discounts will apply only to those that do commit to Tier 1 or Tier 2 for the calendar year. Trading Permit Holders that are not eligible for and/or do not commit to Tier 1 or Tier 2 will pay the standard rate for each Market-Maker Trading Permit, regardless of the total number of Market-Maker Trading Permits used. If a Trading Permit Holder chooses to commit to either Tier 1 or Tier 2, that Trading Permit Holder will be responsible for the minimum number of permits in the commitment tier for the remainder of the calendar year. Even if a Trading Permit Holder does not maintain the minimum level of eligible Trading Permits in the tier, that Trading Permit Holder is still responsible for the minimum payment for that commitment tier for the remainder of the calendar year. For example, a Trading Permit Holder that commits to eleven eligible permits per month will be subject to a minimum monthly access fee of \$53,700 (10 x \$5,000 plus \$3,700 = \$53,700) for that calendar year. Any additional Permits will increase the fee by the applicable amount. Trading Permit Holders will be able to commit to a higher tier of the sliding scale for the remainder of a calendar year, during a commitment year, if the Trading Permit Holder obtains enough eligible Market-Maker Trading Permits and provides written notification to the Registration Services Department by the 25th day of the month preceding the month in which the higher tier will be effective (or the preceding business day if the 25th is not a business day). For example, a Trading Permit Holder may provide written notice to commit to Tier 1 effective July 1 for the remainder of the calendar year as long as the Trading Permit Holder obtains enough eligible Trading Permits and provides written notice by June 25th that the Trading Permit Holder would like to participate in the sliding scale starting in July for the remainder of that calendar year. Even if that Trading Permit Holder subsequently falls below the minimum number of eligible Market-Maker Trading Permits (in the committed calendar year), for the committed tier, the Trading Permit Holder will remain responsible for paying for the tier minimum for the remainder of the calendar year. Trading Permit Holders will be responsible to pay for at least the minimum amount of eligible Market-Maker Trading Permits in the committed tier for the calendar year on a monthly basis unless the Trading Permit Holder entirely terminates as a Trading Permit Holder during the year. If a Trading Permit Holder combines, merges, or is acquired during the course of the calendar year, the surviving Trading Permit Holder will maintain responsibility for the committed number of eligible Market-Maker Trading Permits. If a Market-Maker affiliate ("affiliate" defined as having at least 75% common ownership between the two entities as reflected on each entity's Form BD, Schedule A) receives a credit under the Exchange's Volume Incentive Program ("VIP"), that Market-Maker will receive a credit on its Market-Maker Trading Permit fees corresponding to the VIP tier reached (10% Market-Maker Trading Permit fee credit for reaching Tier 2 of the VIP, 20% Market-Maker Trading Permit fee credit for reaching Tier 3 of the VIP, and 30% Market-Maker Trading Permit fee credit for reaching Tier 4 of the VIP). This credit will not apply to Market-Maker Trading Permits used for appointments in RUT, SPX, VIX, OEX and XEO.</p>
25	<p>The Floor Broker Trading Permit Sliding Scale will be available for all Floor Broker Trading Permits held by affiliated Trading Permit Holders and TPH organizations. To qualify for the rates set forth in Tiers 1 and 2 in the sliding scale, the applicable Trading Permit Holder(s) and/or TPH organization(s) must commit in advance to a specific tier that includes a minimum number of eligible Floor Broker Trading Permits for each calendar year. To do so, a Floor Broker Trading Permit Holder must notify the Registration Services Department by December [25]29th (or the preceding business day if the [25]29th is not a business day) of the year prior to each year in which the Floor Broker Trading Permit Holder would like to commit to this sliding scale of the Tier of eligible Floor Broker Trading Permits committed to by that Floor Broker Trading Permit Holder for that year. Floor Brokers are not obligated to commit to either tier. However, the discounts will apply only to those that do commit to Tier 1 or Tier 2 for the calendar year. Trading Permit Holders that are not eligible for and/or do not commit to Tier 1 or Tier 2 will pay the standard rate of \$9,000 for each Floor Broker Trading Permit, regardless of the total number of Floor Broker Trading Permits used. If a Trading Permit Holder chooses to commit to either Tier 1 or Tier 2, that Trading Permit Holder will be responsible for the minimum number of permits in the commitment tier for the remainder of the calendar year. Even if a Trading Permit Holder does not maintain the minimum level of eligible Trading Permits in the tier, that Trading Permit Holder is still responsible for the minimum payment for that commitment tier for the remainder of the calendar year. For example, a Trading Permit Holder that commits to eight eligible permits per month will be subject to a minimum monthly access fee of \$42,000 (1 at \$9,000 plus 6 at \$5,000 plus 1 at \$3,000 = \$42,000) for that calendar year. Any additional Permits will increase the fee by the applicable amount. Trading Permit Holders will be able to commit to a higher tier of the sliding scale for the remainder of a calendar year, during a commitment year, if the Trading Permit Holder obtains enough eligible Floor Broker Trading Permits and provides written notification to the Registration Services Department by the 25th day of the month preceding the month in which the higher tier will be effective (or the preceding business day if the 25th is not a business day). For example, a Trading Permit Holder may provide written notice to commit to Tier 1 effective July 1 for the remainder of the calendar year as long as the Trading Permit Holder obtains enough eligible Trading Permits and provides written notice by June 25th that the Trading Permit Holder would like to participate in the sliding scale starting in July for the remainder of that calendar year. Even if that Trading Permit Holder subsequently falls below the minimum number of eligible Floor Broker Trading Permits (in the committed calendar year), for the committed tier, the Trading Permit Holder will remain responsible for paying for the tier minimum for the remainder of the calendar year. Trading Permit Holders will be responsible to pay for at least the minimum amount of eligible Floor Broker Trading Permits in the committed tier for the calendar year on a monthly basis unless the Trading Permit Holder entirely terminates as a Trading Permit Holder during the year. If a Trading Permit Holder combines, merges, or is acquired during the course of the calendar year, the surviving Trading Permit Holder will maintain responsibility for the committed number of eligible Floor Broker Trading Permits. Any Floor Broker Trading Permit Holder that executes an average of 15,000 customer and/or professional customer and voluntary professional open-outcry contracts per day over the course of a calendar month in all underlying symbols excluding Underlying Symbol List A (except RLG, RLV, RUI, AWDE, FTEM, FXTM and UKXM)(34), DJX, XSP, XSPAM and subcabinet trades, will receive a rebate of \$9,000 on that Floor Broker Trading Permit Holder's Floor Broker Trading Permit fees. Any Floor Broker Trading Permit Holder that executes an average of 25,000 customer and/or professional customer and voluntary professional open-outcry contracts per day over the course of a calendar month in all underlying symbols excluding Underlying Symbol List A (except RLG, RLV, RUI, AWDE, FTEM, FXTM and UKXM)(34), DJX, XSP, XSPAM and subcabinet trades, will receive a rebate of \$14,000 on that Floor Broker Trading Permit Holder's Floor Broker Trading Permit fees. For purposes of determining the rebate, the qualifying volume of all Floor Broker Trading Permit Holders affiliated with a single TPH organization will be aggregated, and, if such total meets or exceeds the customer and/or professional customer and voluntary professional open-outcry contracts per day thresholds in all underlying symbols excluding Underlying Symbol List A (except RLG, RLV, RUI, AWDE, FTEM, FXTM and UKXM)(34), DJX, XSP and XSPAM and subcabinet trades that TPH organization will receive a single rebate, regardless of the number of Floor Broker Trading Permits affiliated with that TPH organization.</p>
