

EXECUTE SUCCESS<sup>SM</sup>

## Position Limit Circular PL13-17

**Date:** April 29, 2013

**To:** Trading Permit Holders

**From:** Department of Market Regulation

**RE:** Adjusted Position and Exercise Limits for certain Equity Option Classes will revert to their Applicable Standard Position and Exercise Limits effective May 20, 2013

Please be reminded that the adjusted position and exercise limits<sup>1</sup> for the following equity option classes will expire with the May 2013 expiration. Effective May 20, 2013 the position and exercise limits for the following equity option classes will revert to the applicable standard limit as noted below:

<b>Underlying Stock</b>	<b>Option and Stock Symbol</b>	<b>Standard Position and Exercise Limit</b>
COMMERCE BANCSHARES INC.	CBSH	75,000 Contracts
MINERAL TECH INC.	MTX	25,000 Contracts
NRG ENERGY INC	NRG	250,000 Contracts
PROASSURANCE CORPORATION	PRA	50,000 Contracts

The complete list of the applicable limits is available on the OCC website at [www.theocc.com](http://www.theocc.com) under the "Market Data" tab and then under the "Position Limit Data" tab. The following two reports are available on the OCC website: Daily Position Limit Report and Position Limit Change Report.

<sup>1</sup>Limits were previously adjusted due to a stock split, merger, stock distribution, stock dividend, etc.
