## **GTC Order Conversion**

On Wednesday, January 30, 2013, immediately after the CBOE close, the system will convert or cancel all resting orders in the LFL order book. If your firm has requested, all booked orders (phone, wire, and electronic) and all ORS orders residing outside the book (booth or crowd routed) will be converted reflecting the adjustment. If your firm has requested, all booked orders and ORS orders residing outside of the book will be canceled. If your firm receives CXL drops, the CXL confirms will print at your booth at 3:15 p.m. ORS CXLs will also be transmitted electronically to your branches.

Immediately after the close, the book staff will return a final written report listing the orders that are converted or canceled to all firms. If converted, this list will also show how the new orders will be adjusted. This report will be available on request anytime during the day prior to the night of the adjustment.
